Pueblo of Jemez EMS

The Pueblo of Jemez Emergency Medical Services is a full-time, ALS provider. We respond to 911 calls both in the Pueblo and in the surrounding areas. These areas include Zia Pueblo, San Ysidro, Gillman, Ponderosa, La Cueva, and the Valles Caldera to name a few. We have eight full-time employees and twelve part-time employees. The Pueblo of Jemez EMS responds to around eight hundred calls for help annually. We are proud to be part of this conference, both now and in the future.
