

What should I do?

I was exposed (close contact) to someone that tested positive for COVID-19

Self-Quarantine (Optional)

If you:

- Are vaccinated and boosted or;
- Completed the primary series of Pfizer or Moderna vaccine within the last 5 months or;
- Completed the primary series of Johnson & Johnson vaccine within the last 2 months

Wear a mask around others for 10 days.

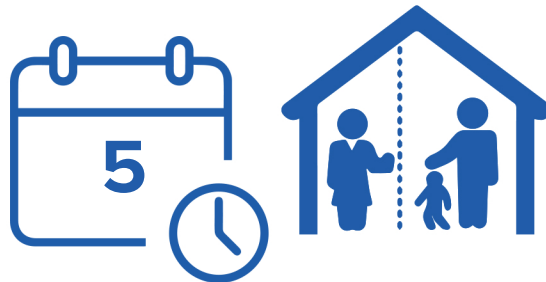

Self-Quarantine (5 Days)

If you:

- Completed the primary series of Pfizer or Moderna vaccine over 5 months ago and you are not boosted or;
- Completed the primary series of Johnson & Johnson over 2 months ago and you are not boosted or;
- Are unvaccinated

Self-Quarantine for 5 days. Continue to wear a mask around others for an additional 5 days.

If possible, test on day 5 from the date of your most recent exposure at your nearest test site. If you develop symptoms, please contact your local healthcare facility to seek medical advice.
